Supplemental Instruction
Supplemental Instruction (SI) is designed to improve students’ academic success through peer-led learning sessions that are held twice per week.

BIOL 1107, CHEM 1124/1125, CHEM 1127/1128
CHEM 2443/2444, MATH 1131/1132

UConn Connects
An academic intervention program that provides students with the skills and support needed for academic success, by meeting weekly with a peer, faculty, or staff mentor.

Participants can sign up at the start of each semester

FirstGen
New Haven Promise
Hartford Promise
Campus Change Students

Drop-In Hours
Student coaches are available on a walk-in basis during the academic school year. Coaches can assist students one-on-one with developing academic skills tailored to their personal styles.

Mon-Thurs 9:00am-7:00pm & Fri 9:00am-4:00pm

Workshops
Any student can attend one of our scheduled workshops throughout the semester at either 4:00pm or 7:00pm to learn about a variety of success topics.

Go to our website to see the workshop schedule.
